(b) Yes, Sir. The land of about 6.5 acres was declared transferred to IWAI. However, the terms and conditions of transfer of land were to be subsequently finalised. The IWAI and the concerned agencies of the State Government have as yet not finalised the same. The Govt, of Bihar have subsequently indicated that the land would cost Rs. 2.11 crores. The IWAI has, however, requested the State Government of Bihar to transfer the land free of cost since IWAI is not a commercial organisation and does not generate any revenue. Meanwhile, the IWAI have received indications from Government of Goa about their willingness to spare their existing training facilities and also the land, free of cost, for developing the proposed Training Institute. IWAI has so far not taken decision in this regard.
